**CHART 1: How does our students' performance compare with that of students in the national norm group?**

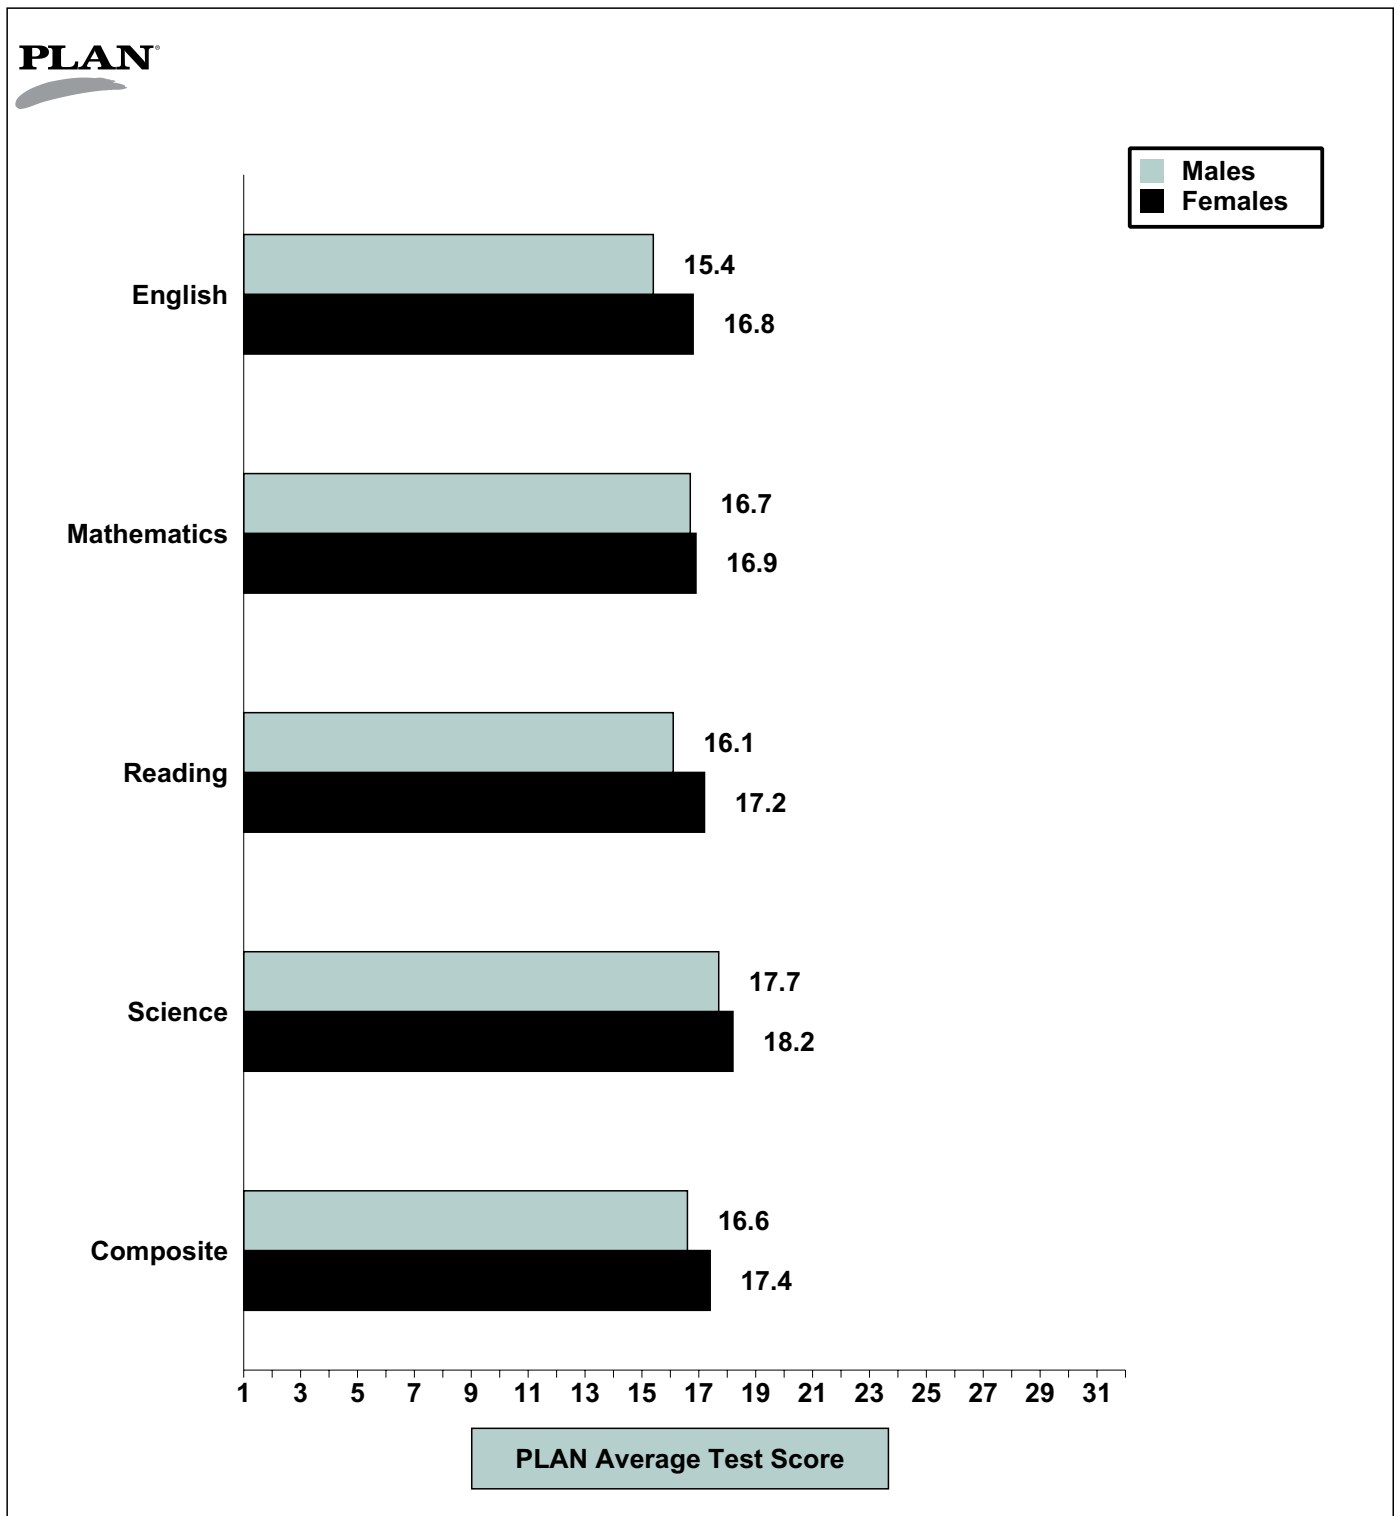

These charts show how the average score performance of our students compares with that of students nationwide.

**CHART 2: Are our students achieving similarly across racial/ethnic groups?**

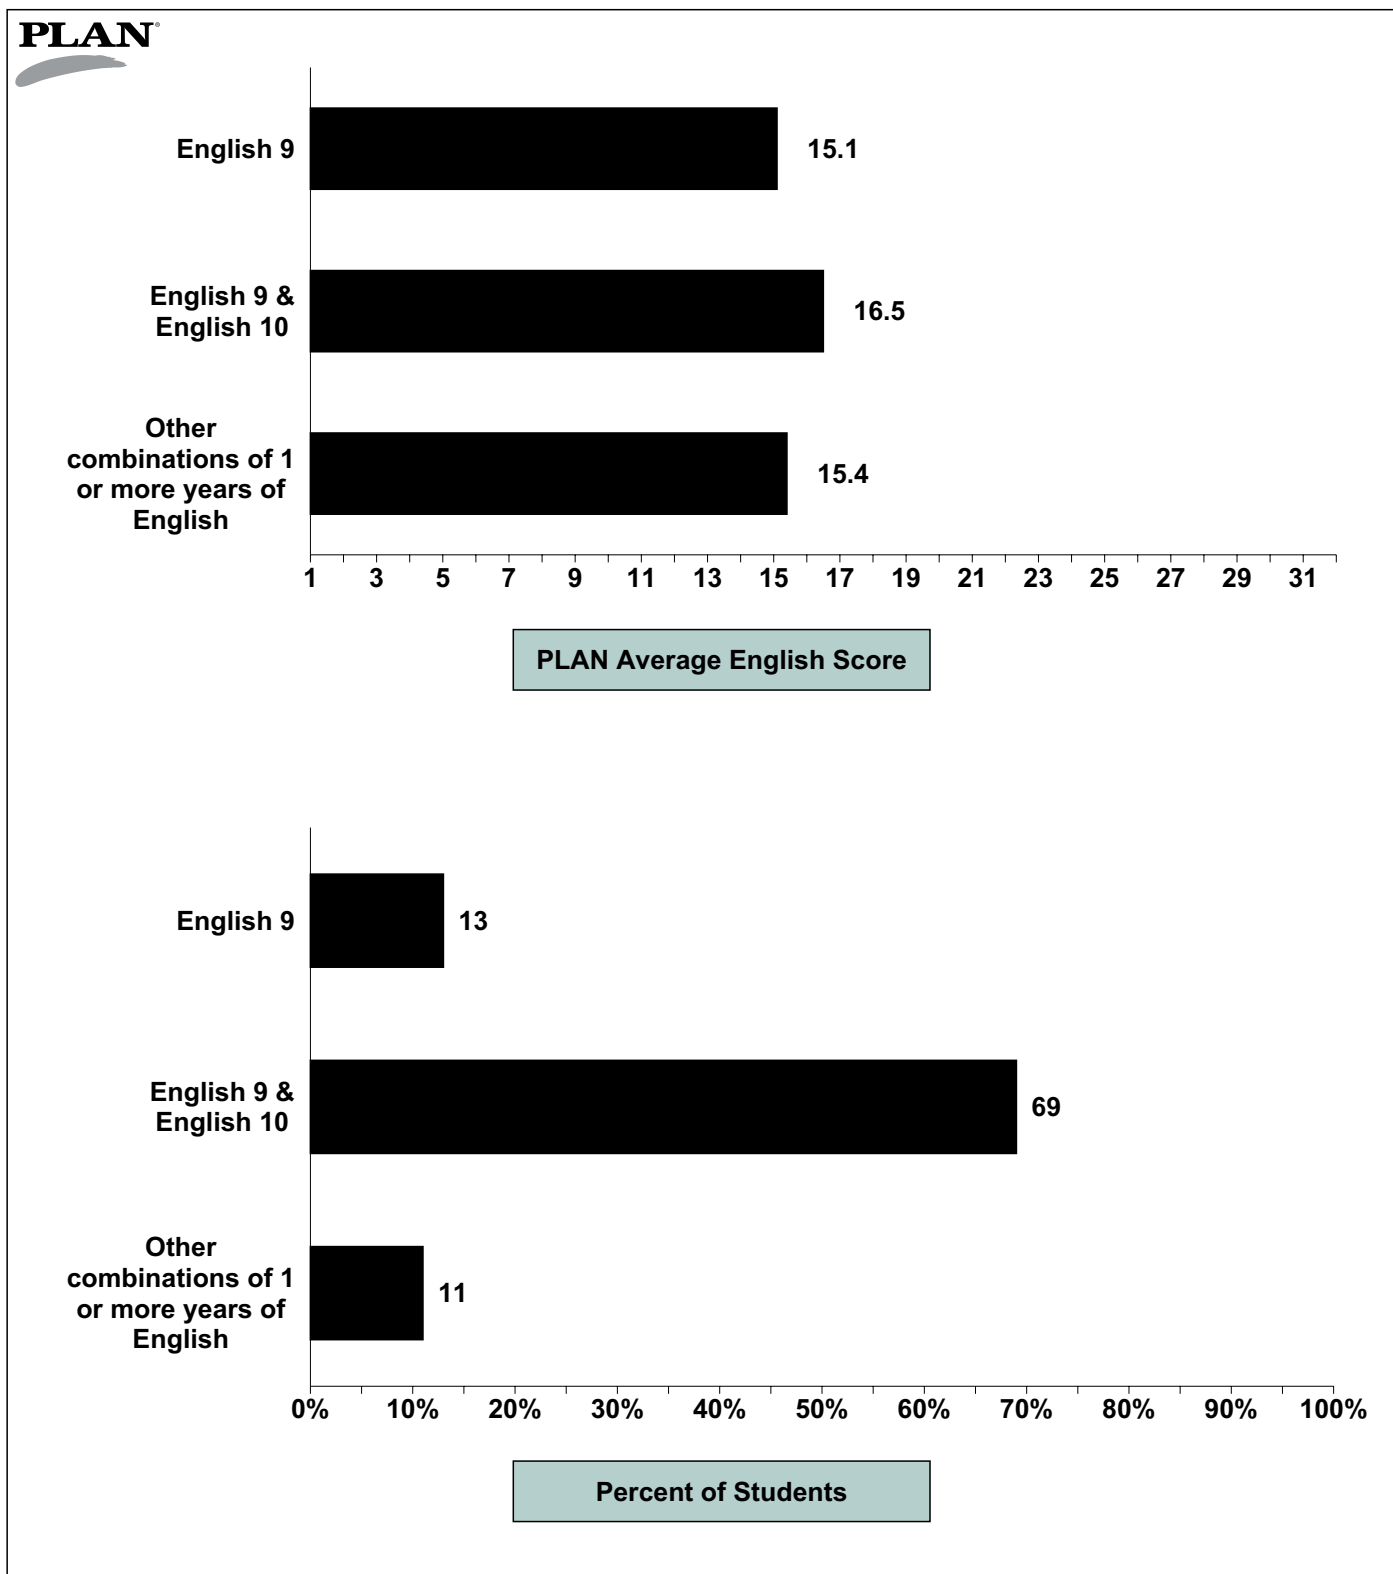

This chart shows our students' PLAN performance by race/ethnicity.

**CHART 3: Are our students achieving similarly  
across gender groups?**

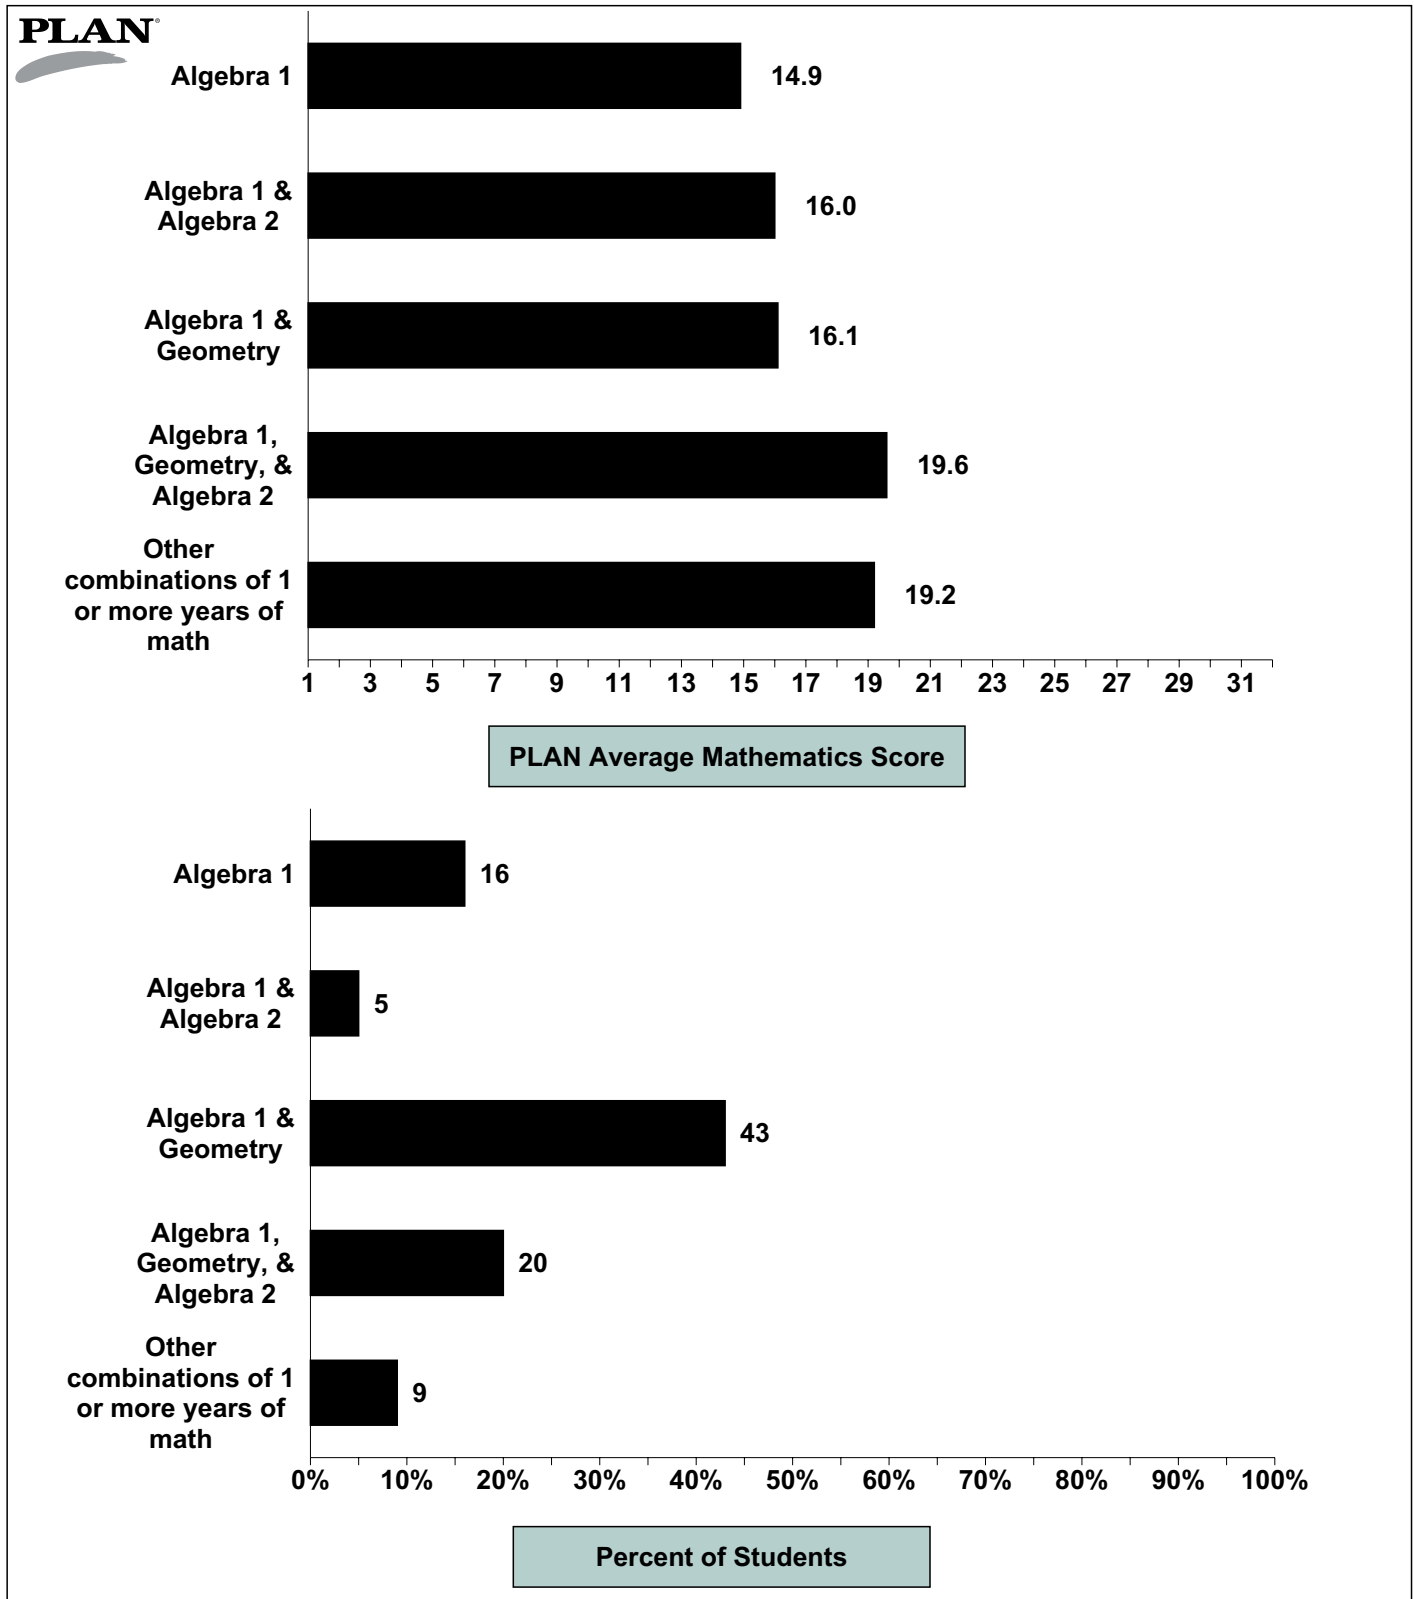

This chart shows our students' PLAN performance by gender.

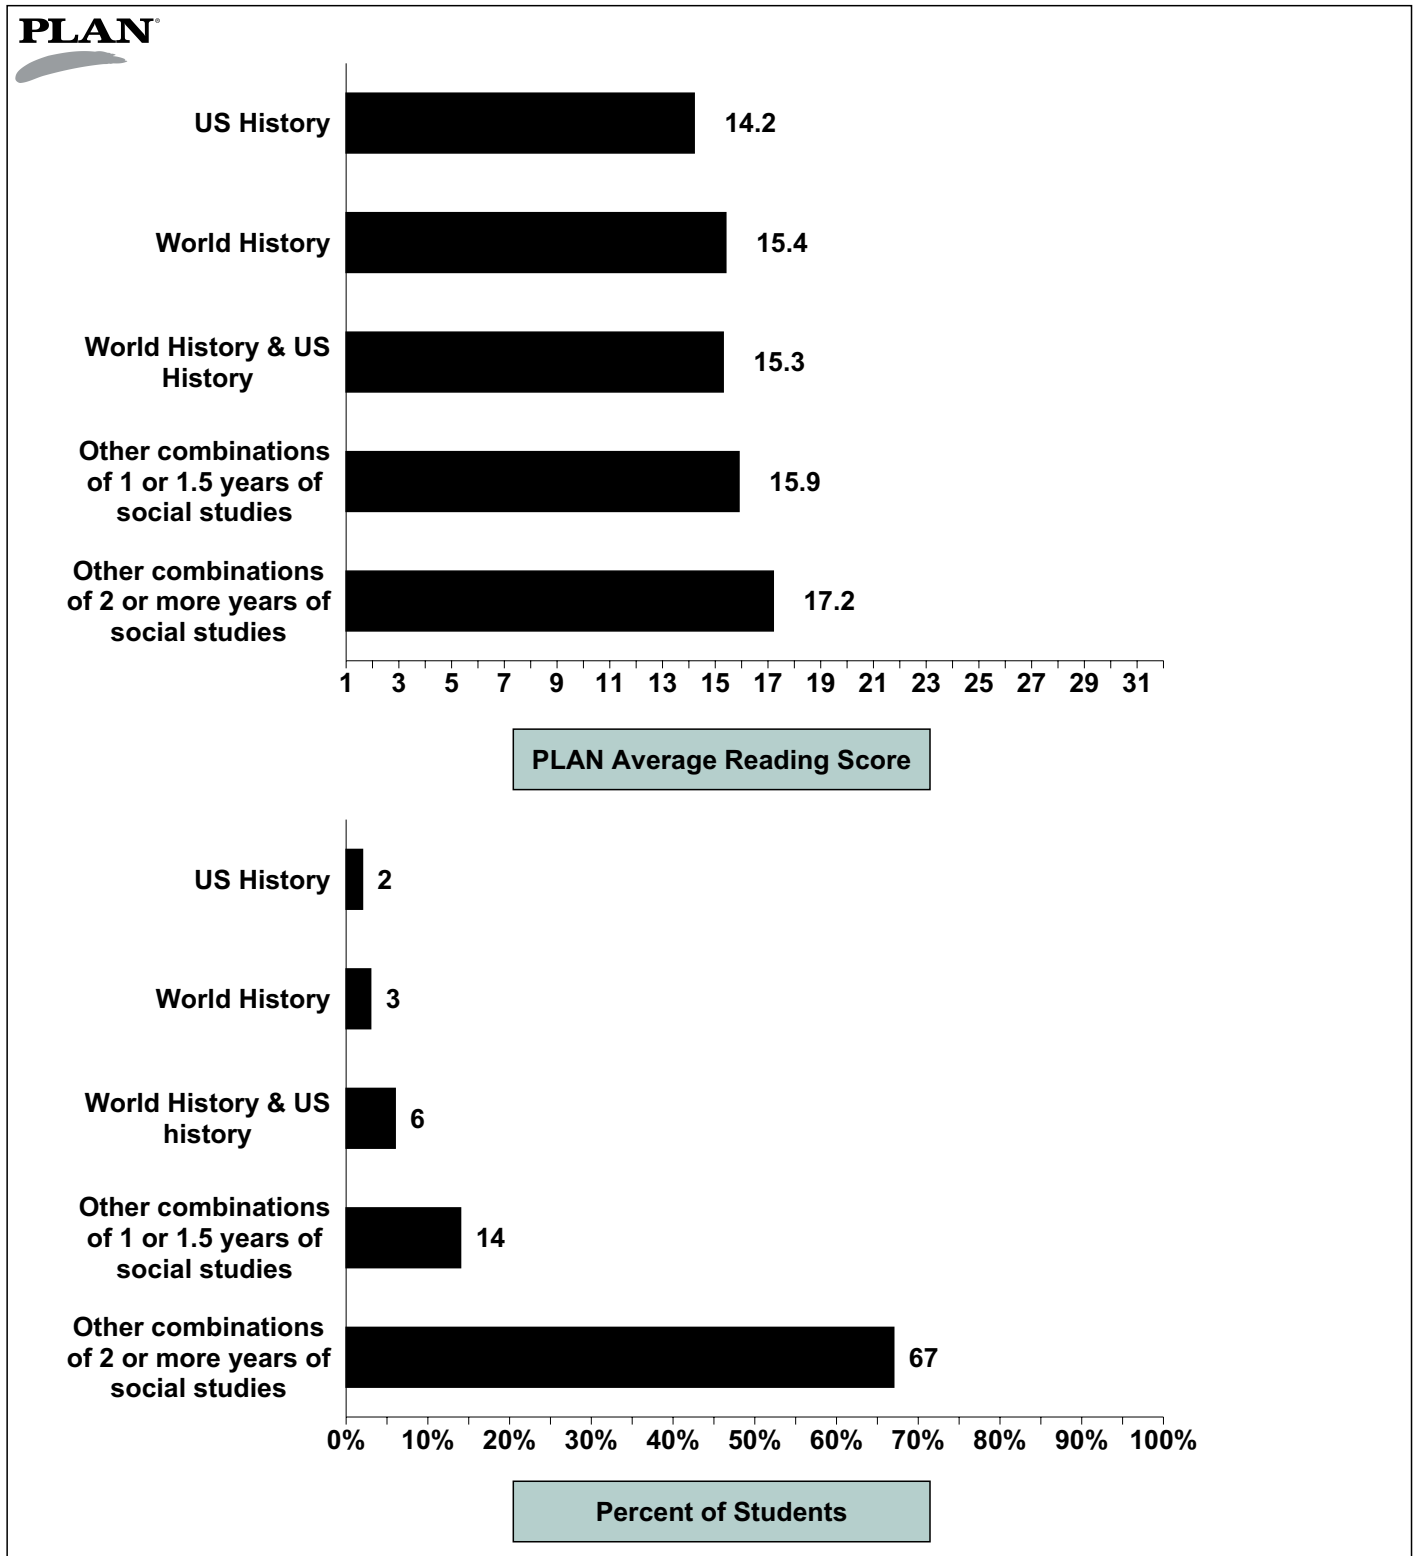

**CHART 4a: How do our students' English scores relate to the English courses they have taken or are currently taking?**

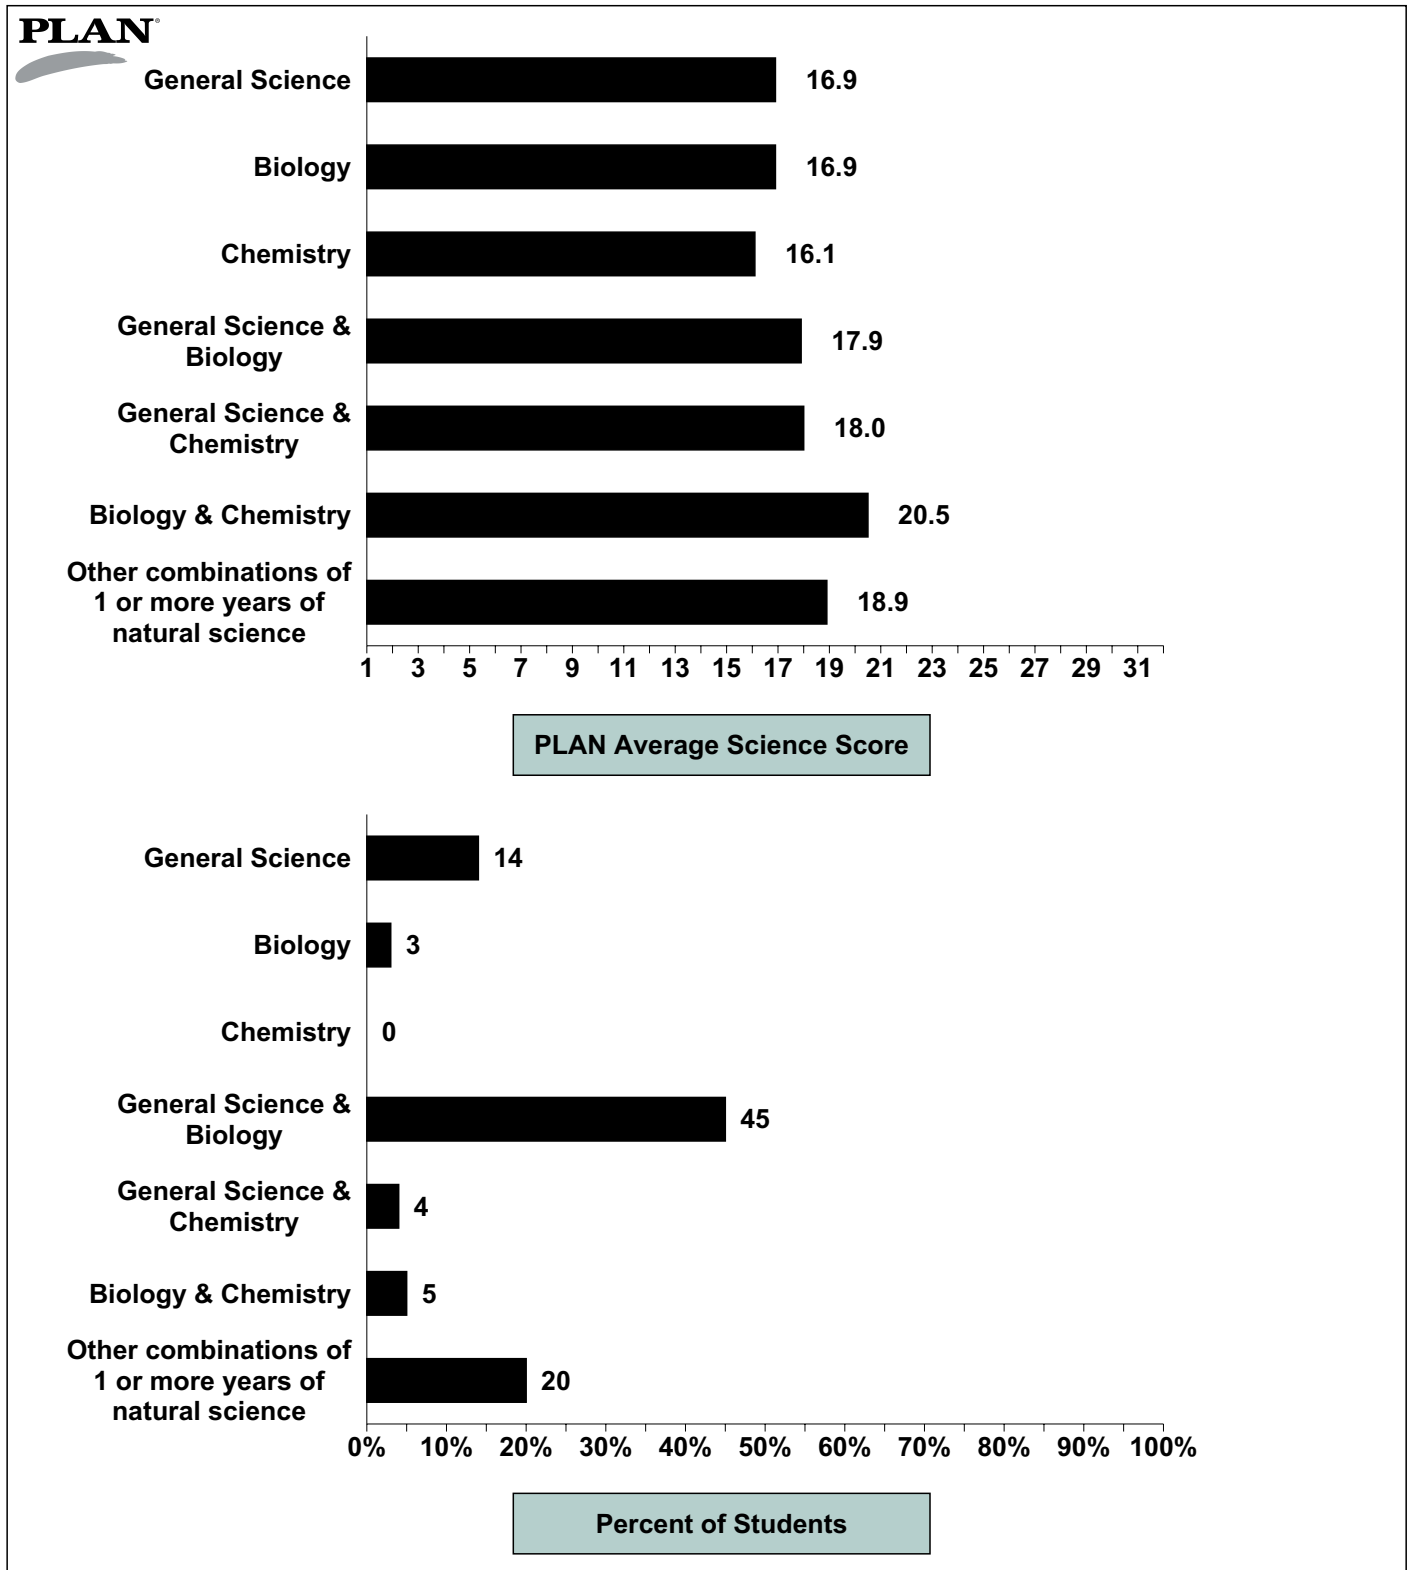

**CHART 4b: How do our students' Mathematics scores relate to the mathematics courses they have taken or are currently taking?**

**CHART 4c: How do our students' Reading scores relate to the social studies courses they have taken or are currently taking?**

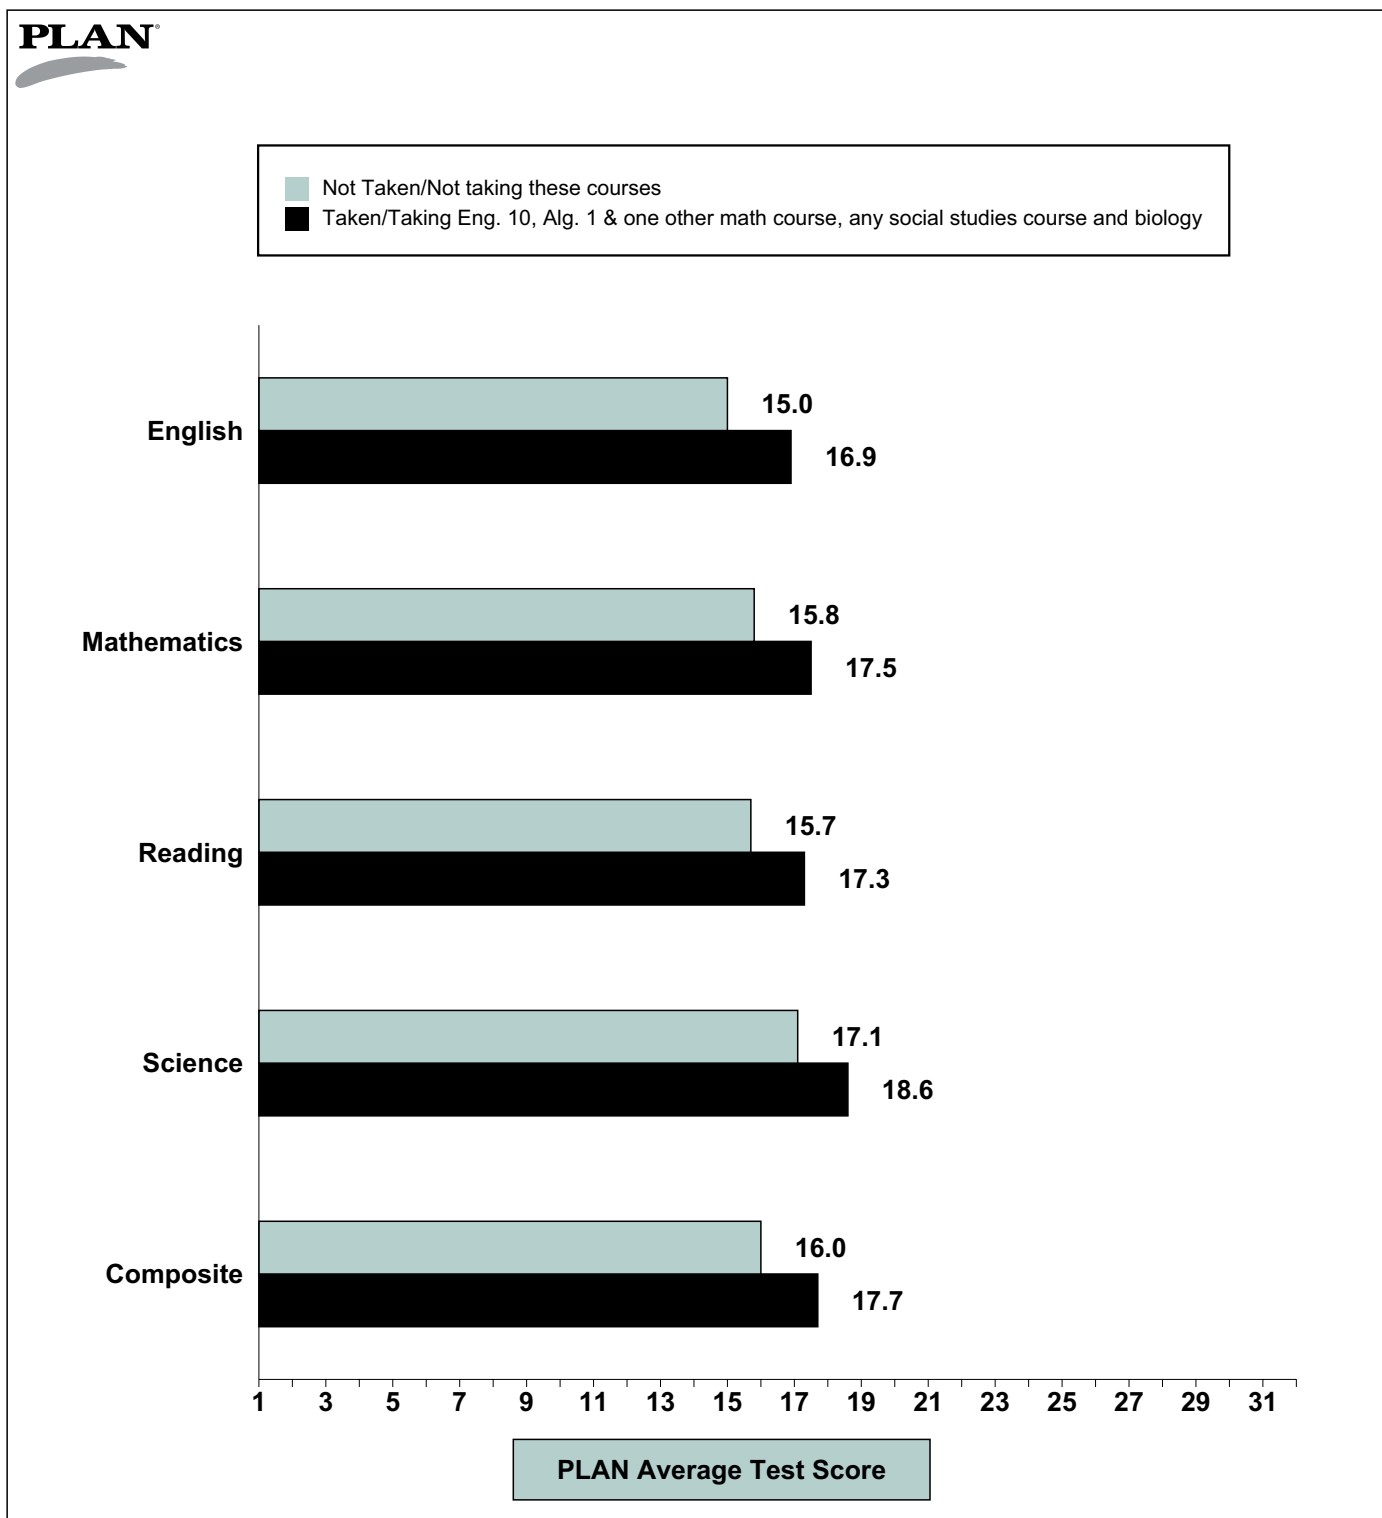

**CHART 4d: How do our students' Science scores relate to the natural science courses they have taken or are currently taking?**

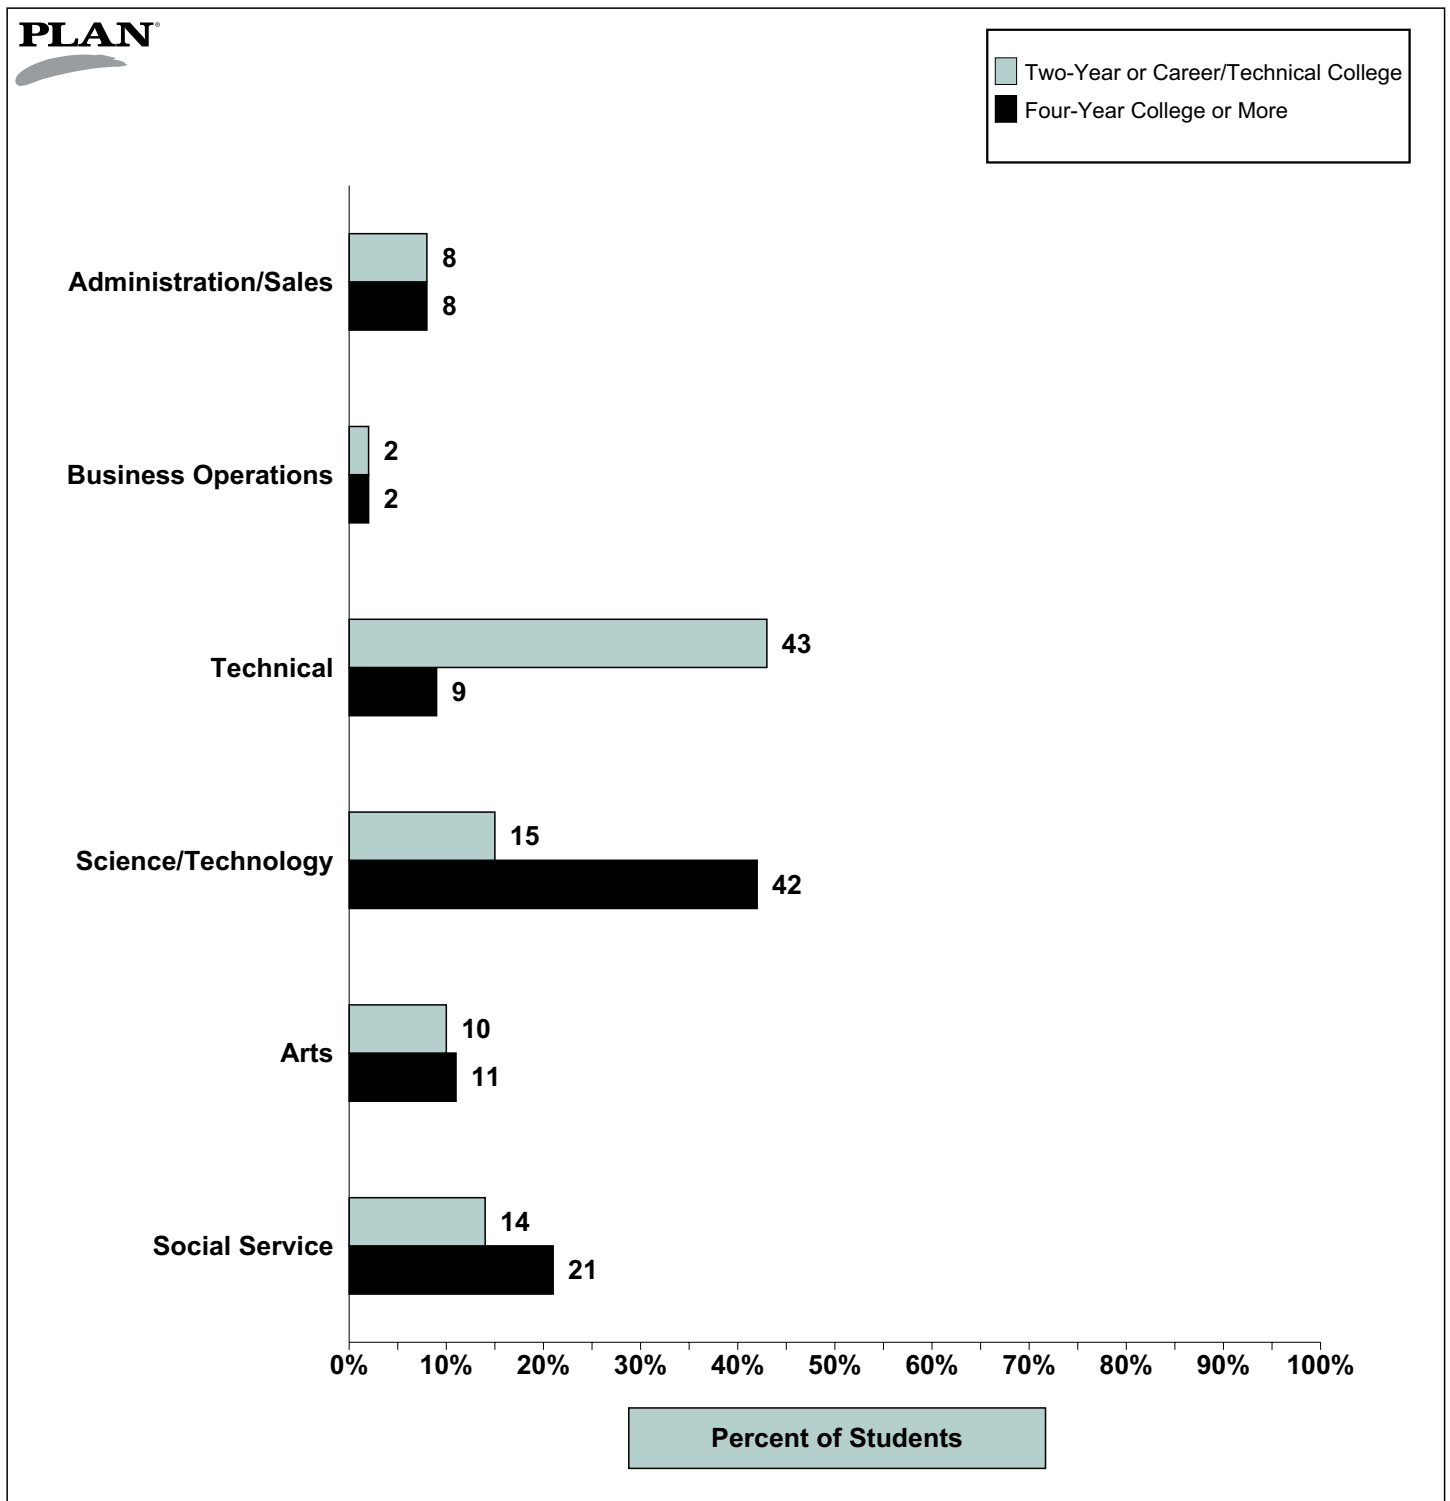

**CHART 4e: How do our students' scores relate to the courses they have taken or are currently taking?**

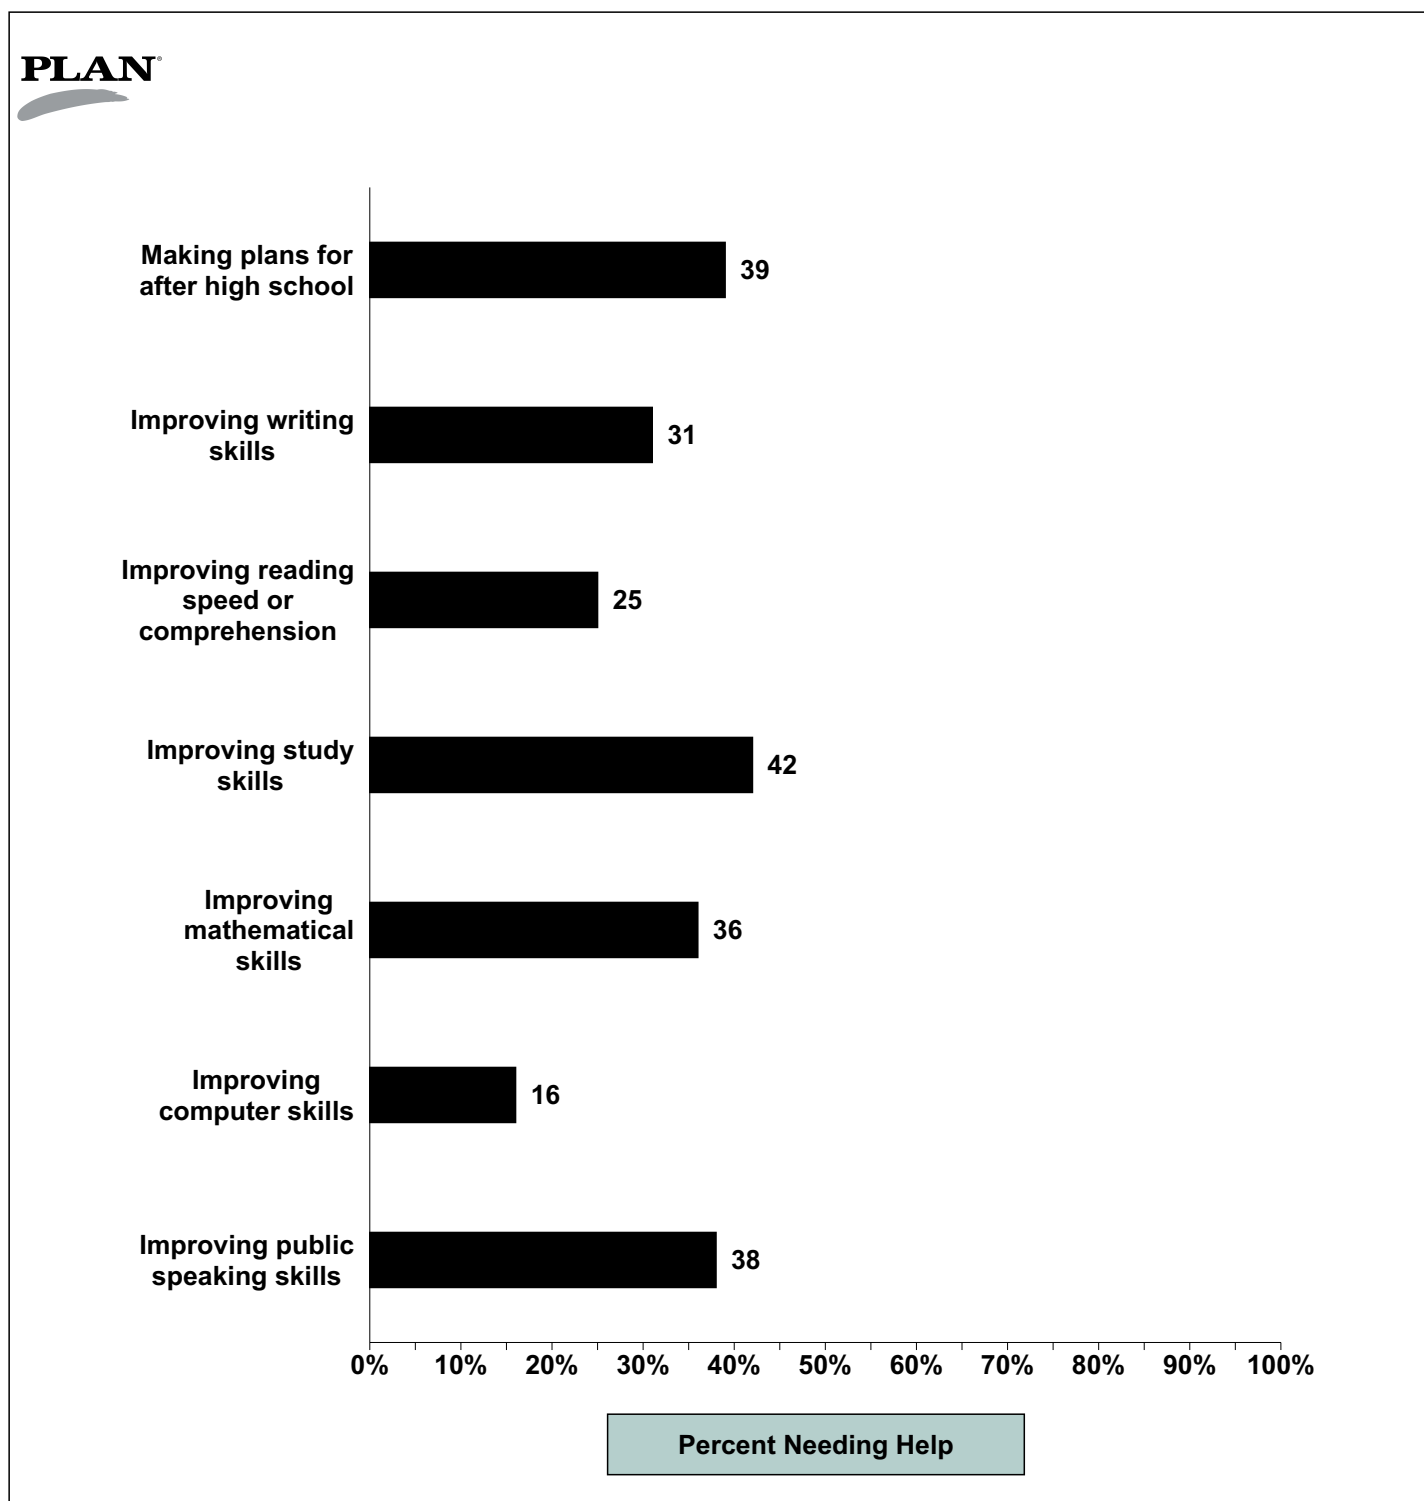

**CHART 5: How do our students differ in their career preferences?**

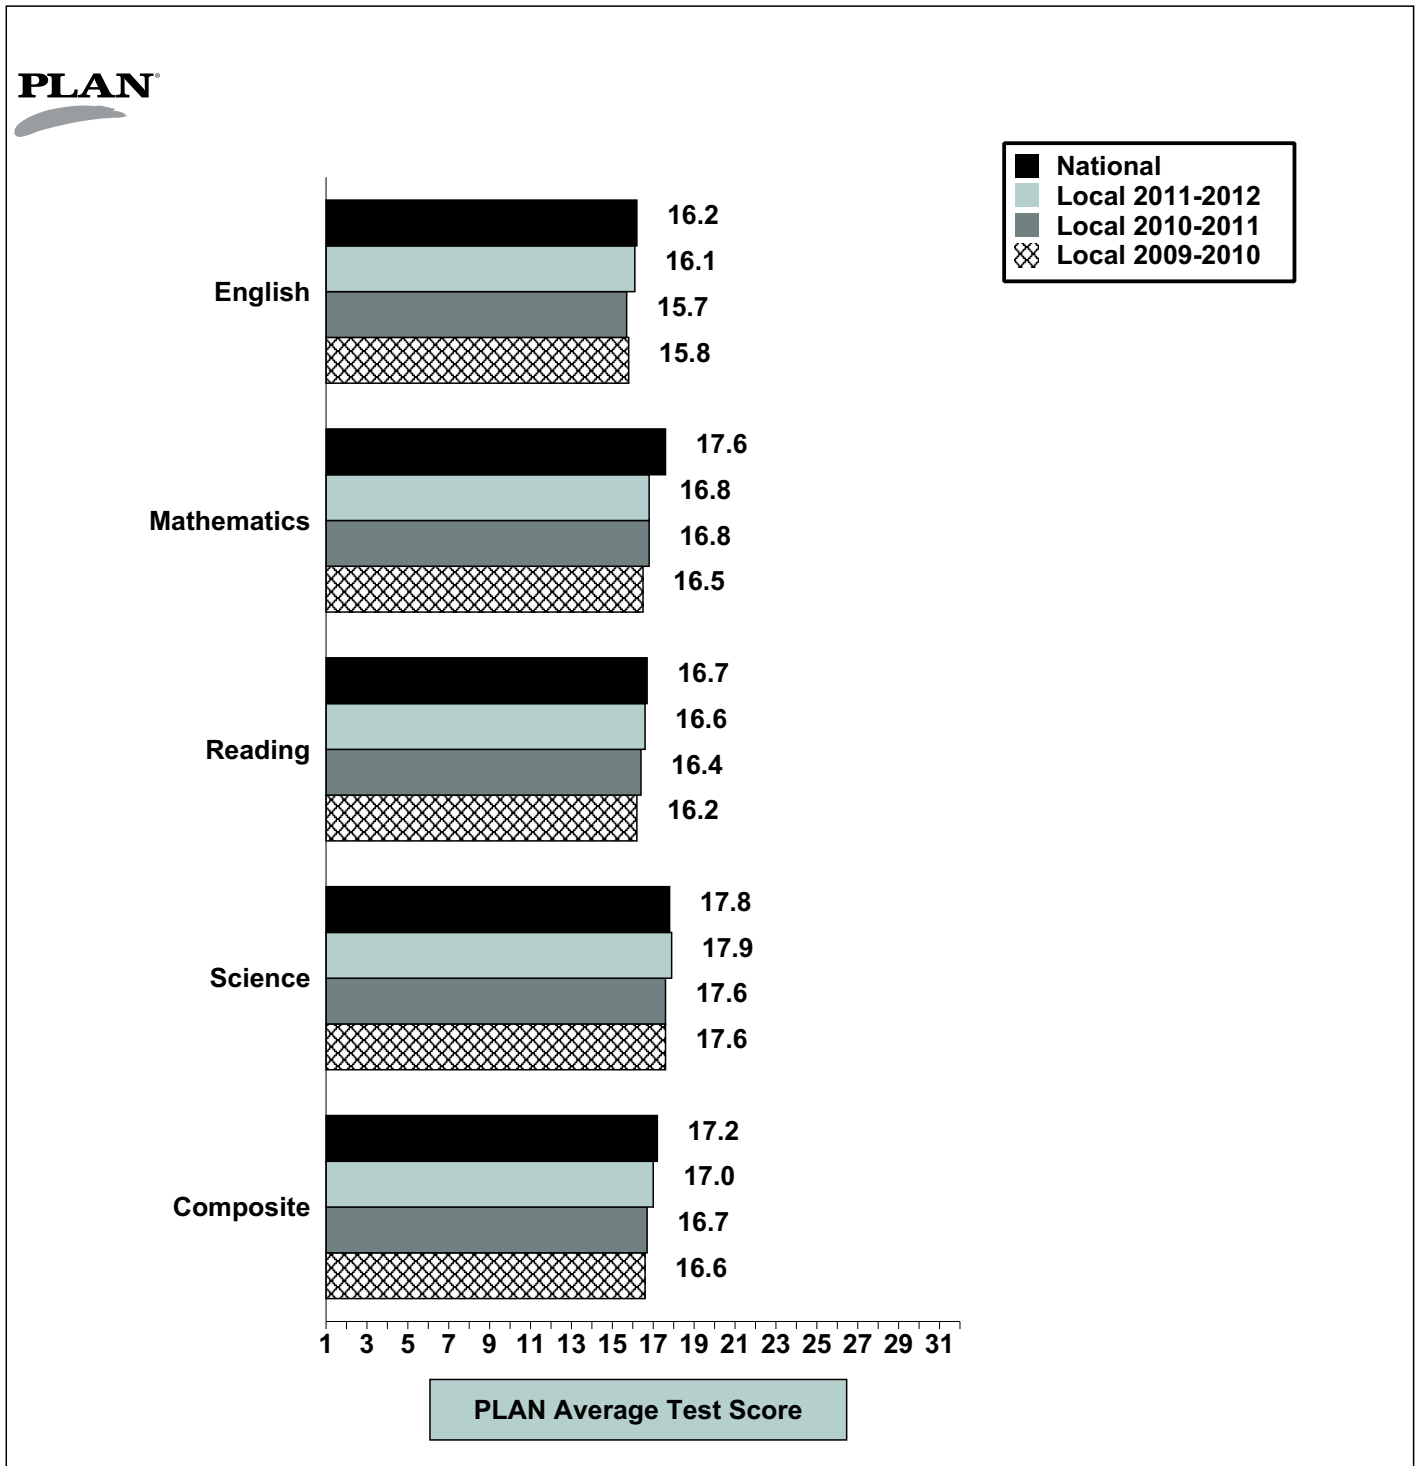

This chart compares the career preferences of our students who plan to attend either a two-year or career/technical college with those who plan to attend at least a four-year college.

**CHART 6: What percentage of our students reported needing help in particular areas?**

This chart shows the percentages of our students who reported needing help in these areas.

**CHART 7: Is the academic achievement of our students for the past three years improving compared to that of the national norm group?**

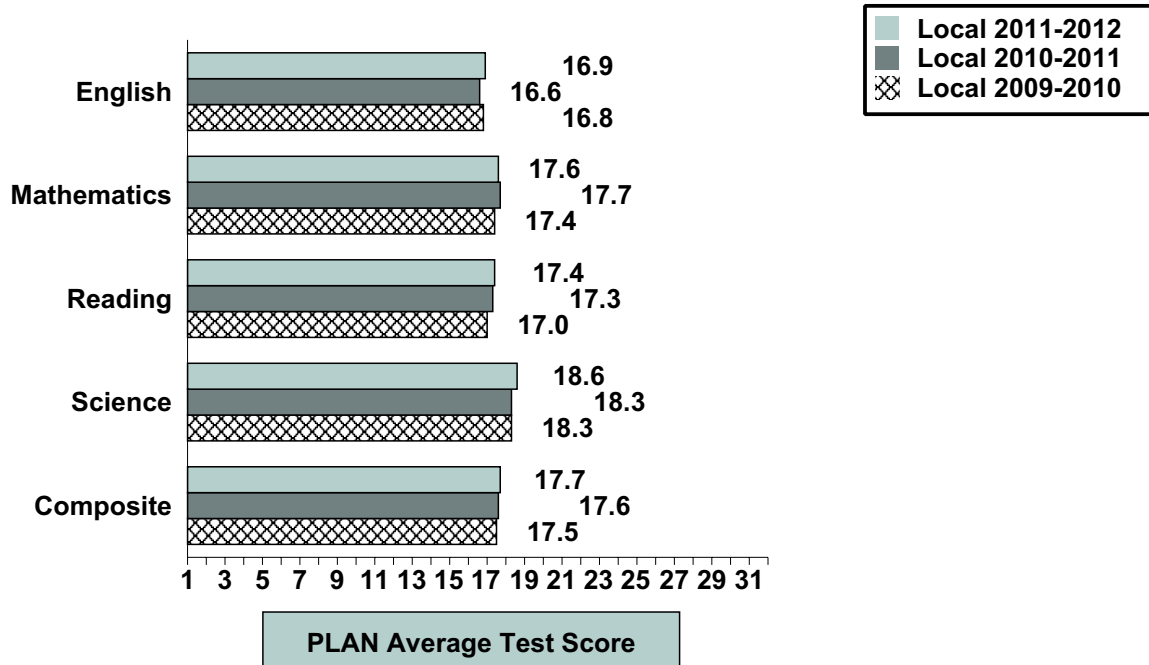

This chart shows the average performance of our students for the past three years.

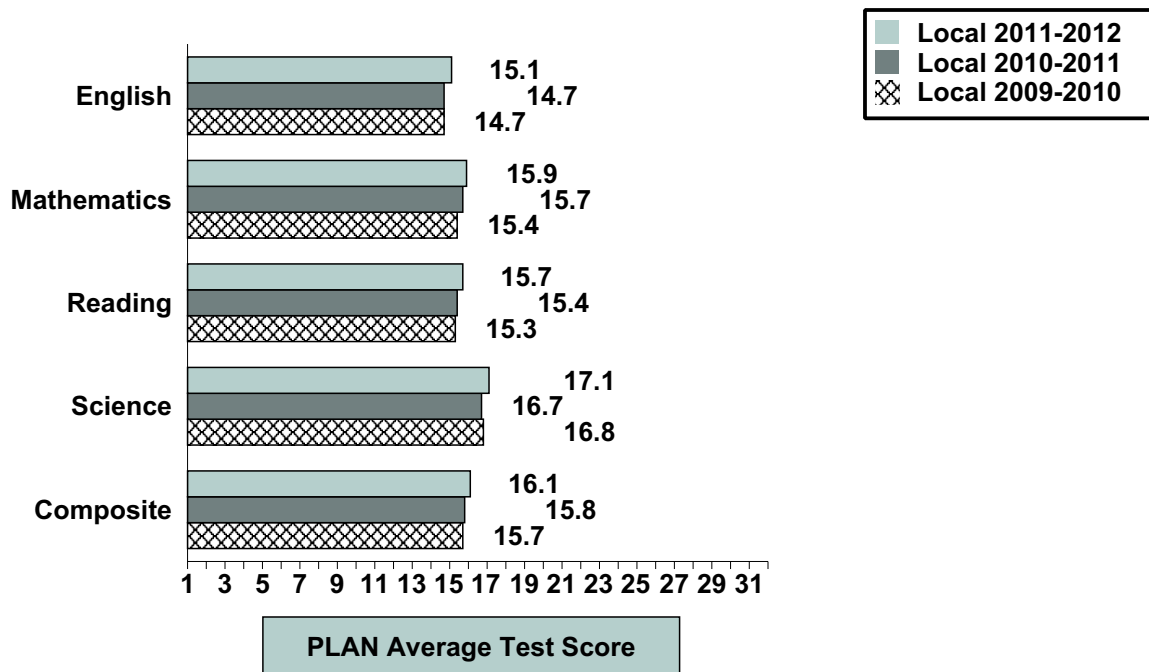

**CHART 8: Are our students adequately preparing themselves to be successful?**

**Core:** Students who plan to take 4 or more years of English and 3 or more years each of mathematics, social studies, and natural sciences.

**Noncore:** Students who do not plan to take 4 or more years of English and 3 or more years each of mathematics, social studies, and natural sciences.

This chart shows the average performance of our students for the past three years by planned coursework (core or noncore).
